Our Easter egg hunt was a huge hit! The kids had an eggcellent time searching for treats, and we loved seeing such a great turnout from the community. Thank you for making it so special!

What Residents are Saying

Lourdes C.

"I'm currently helping my niece look for a place for her and her roommate and we decided to check out Laurel Grove. I must say I'm very impressed with the property and the apartment homes! The 2bd is really nice and cozy and has 2bath, which is perfect for roommates! The property looks clean and has very nice curb appeal, you can tell the maintenance team takes their time to take care of the community. Management was really friendly and helpful with our appointment and answering the millions of questions we had (sorry about that, but thank you for your patience!) We left feeling really good about this place and my niece looks forward to making this her next new home!"

Local Feature

Mangia

Tucked in the heart of downtown Salinas, Mangia on Main is a dream-turned-reality for husband-and-wife duo, Chef Nuccio and Anna. Since opening in November 2021, they've been serving traditional Italian dishes crafted from childhood memories and fresh, local ingredients. With a cozy atmosphere, friendly staff, and a thoughtful selection of local wine and beer, Mangia is all about bringing the Salinas community together—one unforgettable meal at a time.

Live Well

Living Well at Laurel Grove

Memorial Day marks more than the start of summer—it's a time to reflect, recharge, and reconnect. We also take this moment to honor and thank those who have served and sacrificed for our country. With our pool season officially opening, we invite you to enjoy time outdoors, move your body, and unwind in the sunshine. Prioritizing rest and community are simple but powerful ways to support your overall well-being.
