What Residents are Saying

Jessica S.

"I have lived at Laurel Grove for over 7 years and it has been a wonderful place to call home! The community is gated, clean, and offers several amenities.

I would like to commend Jorge from the maintenance staff. He goes above and beyond at every work order he receives. If he sees you around the community, he always makes sure to smile at you and greet you! He has helped me tremendously throughout my years here and he truly is the gem of this community. Cynthia, the property manager, is very helpful as well.

She has been very responsive and takes her time to address any concerns that have been brought to her attention. Thank you Laurel Grove staff for all that you do!"

Live Well

16 Easy DIY Ideas for Decorating with

Pumpkins

As the seasons change, it's the perfect time to embrace eco-friendly practices at home. Try using locally sourced pumpkins and gourds for your autumn décor—they not only add a festive touch but also support local farmers. Pair them with reusable or compostable decorations to minimize waste. Little actions like these help nurture our community and the planet.
